# Memorandum

**Date:** June 5, 2012

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Amendment to Implementing Order 4-107: Fee Schedule for the Sustainability, Planning and Economic Enhancement Department Adding Registration Fees for Personal Injury Protection Medical Providers

---

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the attached resolution amending Implementing Order 4-107: Sustainability, Planning and Economic Enhancement (SPEE) Department Fee Schedule to add registration fees, late fees and registration certificate replacement fees for Personal Injury Protection Medical Providers.

## **Scope**

The fee is applied countywide. Although the entire fee schedule is included, only Section XIV - Registration of Personal Injury Protection Medical Providers is being amended.

## **Fiscal Impact/Funding Source**

The estimated revenue from the proposed registration requirement for Personal Injury Protection Medical Providers is approximately \$105,000 annually. This is based on an estimated 250 applicants meeting registration requirements and being approved to register. Expenses associated with the ordinance will be supported by these fees.

## **Track Record/Monitor**

The Business Affairs and Consumer Protection Division of the Sustainability, Planning and Economic Enhancement Department will administer the County's Personal Injury Protection Medical Provider registration regulations.

## **Background**

On February 21, 2012, the Board approved Ordinance No. 12-08, requiring the registration of Personal Injury Protection Medical Providers operating within the geographic boundaries of Miami-Dade County that derive 90 percent of their monthly gross income from billing Personal Injury Protection insurance providers, or that bill Personal Injury Protection insurance providers more than \$200,000 in a twelve (12) month period. The Business Affairs and Consumer Protection Division of the SPEE Department will be required to establish and maintain a registration process, a database of clinics, and enforce the regulations.

Registration will require proof of various federal, state and local licenses; designation of a responsible licensed physician; a listing of all persons associated with the clinic; copies of all State of Florida Department of Health licenses; listings of all associated persons criminal history, property owner information and government issued identification. The Business Affairs and Consumer Protection Division must make a determination whether or not the applicant meets the registration criteria within 30 days of receipt. If the application is incomplete, the Business Affairs and Consumer Protection Division must notify the applicant and provide them 15 days to correct their application. If the application is denied, the

Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners  
Page No. 2

applicant can request a hearing before a Hearing Officer pursuant to Section 8CC of the Code of Miami-Dade County Florida.

Enforcement of the ordinance will include the physical inspection of Personal Injury Protection Medical Provider locations to verify information contained in the registration application, and to ensure that they comply with ordinance requirements. Additionally, code enforcement officers will monitor Miami-Dade County for Personal Injury Protection Medical Providers operating without the appropriate registration and take appropriate enforcement action where necessary.
